Dear Helena,

Can you please help the Public Policy Committee build a 'Partner Program' with the State lawmakers who represent New Haven in the General Assembly?

All you have to do is:

1. Meet or talk personally with your 'partner lawmaker' once this Legislative session, (you can meet at your own convenience here in New Haven, during AIDS Day at the Capitol March 9 or on some other day in Hartford);
2. Discuss the four legislative priorities identified by the task force, (we will provide you with more information on these issues);
3. Update the Task Force public Policy Committee on how this lawmaker feels about our issues; and
4. Agree to call your lawmaker should an issue arise that merits their attention.

During today's Public Policy Committee meeting, we decided to ask you to partner with The Hon. Martin Looney. Please let me know by fax or phone if you are able to participate in this program or if there is a different lawmaker with whom you have a working relationship. Alex Garbera and I are available to help.

Sincerely,
